RESURFACING _____

The Applicant is liable for any and all damages incurred in conjunction with the proposed scope of work whether it is within the public right-of-way or on private property. The applicant is responsible for the restoration of the roadway, curbs, driveways, sidewalks and grassed areas in accordance with Township Codes.

The Applicant agrees to perform the work in an uninterrupted manner to ensure timely completion. Immediately upon completion of the approved work noted herein, the trench shall be backfilled and temporary paving placed consisting of 2" of hot mix. Trench backfill shall be 2A modified stone, compacted in four (4) inch lifts. Permanent paving shall be completed within 60 Days or as required by the Township Engineer and consist of minimum of 8" of BCBC and 2" of Wearing Course, with one (1) foot cutback on both side of the trench.

The Applicant is responsible for any and all Township Engineer's Fees incurred for the review and Site Surveillance of all work associated with applicable Permit.

THE APPLICANT MUST CONTACT THE TOWNSHIP INSPECTOR AT LEAST 48 HOURS PRIOR TO THE START OF CONSTRUCTION AND PRIOR TO BACKFILLING THE TRENCH AND PRIOR TO FINAL RESTORATION OF COMPLETED ROAD WAY.
